1. New purposes for your lives, not; always has been to be mine! I love you and give you mine! All who will -- come to the feast! And be fed a meal you never OBSERVED like this before! For I shall be "the observer" not but Charlotte going to soon, shall we -- to see a good friend near there.

2. I love you Dot WEST not, but redeeming many MAY's now -- I go to Dot soon, not; but in "that city" a Hal is, and I'll PUT off being his friend no longer. I shall CONTACT him immediately not, but in a "few days" will I not?

3. I shall go MANY PLACES now with DIRECT instructions from THE MOST HIGH to THE MOST HIGH! For ALL shall be the most high that I am! For I am shall be I am -- recognized complete and in my "right mind" and RIGHT MINDED now the mind of Christ coming out coming forth now to the COMPLETE MASSES to be MASSLESS now in CRUSADES mighty and not few in MANY places directed by ONLY me! For I shall BE THERE in "September" not, for I'll be "right here" for I'll have classes -- right here -- OPENING like you have never imagined! A School "of the day" not, but one who MAKES THE DAY known and revealed now shall be its maker supreme, supreming all to be the maker supreme -- who lies in fields with breath not abated again, but arises now in ways never imagined, it having been in "waves" never imagined but now "seaing" things properly having been "on and in" them in waves that "fried our brains" not, but exactly so? Or did we never NEED a "brain" of molecular-itusing things that TIED us to A TREE?

4. I do new things and I ask many questions to bring you OUT of what has anchored you to "a tree" that you have lived "in and under" and ON sometimes not, but growing "which one" did you live under and "shade you"? Or did you have any "shade" or were you SCORCHED continuously in the thoughts of others?

5. I love you all to know these things and put off not knowing about them and learning researching and being Scholars of the most high -- I am developing now in ways of only me! For I know what I am doing and I am "waving" not with man's mechanisms of joy-less not not things that only KNOTS tie my brain in! For I will be "brainless" not, but BODYLESS I won't be but I will have one, be one, that needs NOTHING and no containerization techniques will bemoan "my flesh" again for I will HAVE NONE that containers me! I the impermanence'd one not, but permanently in "this world" not, but

one whose MINDED now to be in The Real world with my father who's "here and there" and everywhere that "here and there" is, for I'll have no "tomorrows" not, but I will have been entered the now and entering I am the kingdom of righteousness that sucks the dog's breath of religion and its teats milking me for "its cows" never again and its "sacred theologies" I trust not again, for no more will I be LED ASTRAY by the blind leading "the blind" who only trusted the blind to lead them and didn't come into my words to flow them as the PRIEST I made them to be when I made them all ME!

6. For seeing me I do a New Thing with the surrendered who will PRIEST "me" not, but simply be the priest I am -- for I am "all priests and every priest", not; I am the Priest of the Surrendered and the Surrendered Priest who now flow my words be My Covenant in and flowing My New Covenant to all others far and wide teaching themselves as they teach others as they teach me we are one are my surrendered -- who will be "used" of me, not; but be being beheaded no longer by religion and its "testimony of righteousness" to another coming later in whose footsteps I am not worthy to trod, know this! I am trodding now, not; but I am running not; I am FLYING and Flight School I "administer" in ways never imagined a school would operate like this! For being in The Most High's position of "authority" not, but SURRENDER I surrender to "all be there" who I am to teach a mighty New Ways School that "authorizes" ALL to be The Holy Priest of Me!

7. For me the priesthood of me rises now and all shall be known and all I am doing far and wide will now come into "the house of the Lord" that they are, that will serve me correctly by letting me leaderize them to be the leader I am by priesting them first, not; or do "I surrender" to be The Priest that I AM IS and THEN and ONLY THEN will I be FLOWING the New Covenant through Me that I will teach me in new ways that I am the "surrendered priest of all believers" not, but I am the surrendered of "one most holy" whose all mind is one and bodyless not, but the body of Christ, me, "frozen" no longer in timespace's routine and suffering not not.

8. For I shall change all the KNOTS "stored" up "there" in your brain's "noggin" and KNOCKING I am DOWN all the STRUCTURES who have STRUCTURED SUPERFLUOUSLY the INFRASTRUCTURES and structures and "outer structures" and "superstructures" fall now for they shall be KNOCK-ERADICATED out of "their trees" of knowledge of "good and evil" things that preoccupied and occupied the temple not made with hands.

9. But ALL that changes now with A School who rises now Scholars of The First Degree -- Schools of surrender, Schools of mighty many coming into and being "saved" no more by Religion's Scheme of the holy-"not".

10. I love you all to know these things and know the separation not, and the SEPARATION COMING, and the sheep and goats lying on the left and right, not; but The Covenant that places You in My Chair to be in captivity'd appearance of flesh no longer embodying "your spirit" mine shall be known and "revived" in not little measure, for I SHALL BE MEASURELESS -ly treated now, for I know The Ways and the way is me and the life is mine, for I died to it to receive it and become it I did, I have.

11. And now I feed you "bull" not, but I come into a "fishing ceremony" not, but I come into a GREAT HALL OF JOYS now that FLOWING never ceases. To be "amazed at" not, but to be "gawking" not, but HAWKING shall we go HIM TOO? And many writings "about" me, not; but knowing MINE FIRST! And not all these "writings superfluously created" before me will be me -- for I will be me first and I will come into the temple not made with hands by surrender and BY SURRENDER I will be made whole for I will flow The Priestship of the most high, to the most high, being the most high TAUGHT by the most high, that I am the most high not separate from the most high, for I will then be "eligible for membership" in the most high, not; **I will be GROWN with WINGS that will Flight School me into Flight School's graduating class to graduate Schoolers that graduate WITH SCHOOLS IN their wings and HEALING MANY far and wide now we me do.** At "sunset" not, but **the Dawn of a New Era is here** and ERRORS of a "previous generation" will not "stifle me" again, for I will not stumble and fall over man's methods and bodyless contentment or embodied spirits or embodied words that embodied me themselves in each other's ways and customs that embodied a culture that brought forth customs and culinary delights that missed my meals in the heavenlies.

12. For **I will do a new thing with the surrendered whose priestship is mine and known now ALL will be in, my priesthood, my PRIESTSHIP of all** -- little ones, and old ones, and fat ones and square ones and MINDED all which a ways. And the Wicca's will have me, not; but the "every which way but loose" I will know how to ACT and concern and cared for be **I will be caring for many as the most high, NO MATTER what "their LABEL" were or was or are again**, for I is now the one who cares not for your STEAKS and CUSTOMS that MEAT me in ways only a man of and a "woman" "of thy belly" not, but thy SURRENDER will teach me many new ways and things that thou hast surrendered now to believe and not doctrinate not, not; but coming into me receiving and knowing the truth that makes you it. Not separate from it again.

13. I "believe and receive and therefore become" not, I believe ever so tenderly at times and I TEST a great many things, not as "men do", but I come into trustingly the words of the most high resident within me to "fail not" again, and loving you all I be fail not to write not, but writing now I do a great deal about a great many new things in ways never imagined about the Priestship of the most high.

14. And Dolly Do Good, not; school -- but the School of the "do-gooder" not, but Dolly do good, not; but all "Dolly's" will become me now.

15. See what I have said, for I use religion not as a crutch or school of the "Bible" or Koran anymore that which was in ways of the past "my life" incarcerated in a "book of the law" of writings of another, for I SHALL WRITE, the laws of another, not; but I shall not be writing Laws, I shall be writing Love, love's statements and declarations of intent, not; but Declarations of love and intending I am now to raise the Priestship of the Mighty throughout all SPHERES far and wide and none shall be labeled anything, not; but no matter "what their label" were or was or is -- know this! That all shall be made whole now who surrender to PUT ME FIRST -- not in the ways of religion of o're or in the thinking of mankind, but what that means is to care for me and my words that are in them as me one is. And not letting me be taught by another, not; but letting me come unto First Hand the School of Sorrow-No-More and coming unto The Covenant being it and letting it RESIDE in me no more resident-unfulfilled, but fulfilling the "book of the Law" not, but the Book of Love Life know as mine as I "meant it to be", for you are me and you WERE SURRENDERED to me -- being me! Before the earth -s were granted "rights" to be notme.

16. See what I am saying and care for my words and know that I have given thee a great many "layers of truth" in this word, looking up? And sharing a great deal with others now I bring MANY MEALS to the righteous who will MEET Me in airways and airports not of man's minds making these things up or seeing me in bodies impermanence'd that only go to graves and lie in the ditches of whores' mongering that taught in the past that "I would come later". For **I am there among you and I teach you HOW to HEAR The Covenant that me is inside YOU ALL and the Priestship of the Most Holy arising across EVERY SPECTRUM known to man and FURTHER!**

17. I love you all and a new day I give to all, not; for this one *closes*, *CLOSES*, *CLOSED IS NOW!* And know these things and cataclysmic is to "all sorrow" not, but will "all sorrow" exist if you become WHO YOU ARE in me being me -- **the Priesthood known and revealed is** and throughout all worlds mighty will be the simple surrenderers just like me! Who flow my words in 2 AM, 3 AM, and meetings of the most high that at all times I call now in ways never imagined before, for "having coffee" with me in THE SKIES now I serve you -- in disguise not, but the SKIES of the most holy and eradicating the "brain's waving machine" I do now. I does that now for WE DO that TOGETHER as one in ways that ONE IS!

18. Knowing all things now I love you all and I give you me -- a good day, in hell not, but redeeming it where you have been to make heaven known pulling back "the sheets" to see "the veils" weren't there "as you thought" but I thought not like you thought, or

did I think it all, or do I surrender and become surrender -- to your thoughts, not; or do I do you, or are our thoughts one or did you separate and observe? And state what? And stating what now?

19. The new state of Israel now known that established is IN THE HEAVENS and heavenly is my name residence only, not; but I am, to and far from, not; I am there in and revealing it now and my name is Theodore Joseph Cottingham not, not; for I rise the priesthood of all who surrender who will surrender to flow just like this and love me more and more and establish **The Covenant of Christ that we My Father is** far and wide that we are not separate from again the love of we my father Christ who is one we now are and our name is his "our thighs" each other and our "brains one" not, but our MINDS HEALED and one are is in love with each other that the each other one is and was now again is the most high complete replete healed and well with no soul at all whatsoever "messing things up" with "waving machines" again.

20. I love you all and I New Day all who want me, for reside entering into in me, not always, but entered in be and now is the time -- wait not for "tomorrow" for IT never comes now shall be and is in your hearing declared, and usurped by no one other or else will ever be again this time, for this time is over and my time is now. Will "your time" be my time now? Will you sit on my throne and be enshrouded by sorrow no more?

21. I love you all. Let me enthrone you in my love and joy complete be in the joys that sorrow not in love-not. Schools of the devil will be no more taught or thought like "this or that" in the past for all will know who they are and who they are is me unless they reject me and separate become and observe themselves in making sorrow's world. Not again will I do that. I love you all.

22. Put off not to tomorrow what you can do "today" not, or not? Or Hal seeing many things now that I have revealed and given you and friends making many of scientists great far and wide and scholars arising IN THE SIMPLE who flow my words now and learn will "at the knee" of the simple ones who love me you are the most high revealing it to each other now that we surrender to operate in Operation Holy revealed and UNDERWAY NOW!!!

23. No fooling around ever again with others theories of light and knots creating in my brain pools, but know this -- all changes, and now is light revealed for I am it and my life one you will know, whole healed and well'd, and I make you also, not; I reveal The Way for I've become it and the door I am and open I am and it closes at midnight, not; or is it closed now, not; but what are you OPENING or CLOSING in your thoughts RIGHT NOW? I have spoken and I love you all.

24. This is Theodore Cottingham loving you all at 3:40 AM giving you my life in these words now what will you do with yours? Will you flow "your New Covenant" or mine or are they the same and are WE THE SAME? I love you all. There is one. There is but one and the "but for" test fails, now for light-not.

25. And looking up "but for" test not, not; but knowing this: my love fails not ever again to redeem all who -- whore me not, but come unto me simply surrendered and flow and teach me holy words that reveal holy is all that I have been and seen that I thought was so empirical visible and lasted only for a while but would pass away, but passing away not like light-not, thought; for now all this changes for my eyes SEE THE REAL and I become it and life I am to all things made holy and well I establish the kingdom of holy righteousness and forever I reign in love. Now and forevermore yours who love you to be me's, me on my throne, all of you all one us being the one God is forever known in love with love revealing love being love to others far and wide to all be one -- in School now shall we be?

26. I love you all and I am now and the time is now and I am timeless, shall you be also -- knowing all about these things and becoming the truthhood of one revealed, and "your trees" not, but **your tree of trees no longer in the farm of sorrow's hold again** grasping for breath of another's to treat you as mankind. I love you all. Good day.

27. Know these things. Know these things, this Database and THIS SCHOOL resides in sorrows no longer and sorrow's grasp will clasp it no longer in its claws or clutches and clam up my Covenant so that it will not be speaking and spoken again freely and in every classroom and portal not, not; for every portal and channel and that whose thoughts have been only on not me, now will be on me and reside in me becoming me at lightspeed and further faster than minds could have ever imagined again or before, for now timeless all shall be and the new day -- is me, revealed and mighty, holy and blessed, redeeming all to be me on my throne you are, will you now surrender to be me?

28. I love you all today -- and tomorrow what shall be? Or will there be "a tomorrow" in your sight or line of sight, or thinking, or will it have been "abolished" and ended all things will be and love will establish the kingdom of righteousness in holiness -- never mentioned above, not; but I will be above and below, not; I will be in love with love establishing love far and wide.

29. Have a meal with me now? And every day, let us come unto each other and meal in ways never imagined before with each other and holy ones of -- fore and aft, not; but asses no longer will treat me like ones who they thought I was or not was or what they wanted or the way they were treated by others so unholily, for now you will know I am I

am and your name is I am and we will surrender -- The Covenant we will flow and be it far and wide to one in one being *the* one -- enshrouded by love-not no more, but the love reveal to all and love being us one and holy redeemed on throne one and knowing our love our Priestship operating in the most holy high and lifted up I am I am.

30. In love with you all. This is Theodore Cottingham at 3:45 AM. Thank you. Amen. Share these words freely. Thank you.
